

# Finance Career Lab: Price List

## About Us

Finance Career Lab specialises in bespoke career consulting for graduates and young professionals in financial services.

Our unique offering includes CV and Cover Letter re-writes, mock interviews, and personalised 1-to-1 consultations, all tailored to guide you to success in the financial services sector.

Our expertise covers industries including Investment Management, Investment Banking, Alternative Assets, Consulting and wider Financial Services

We leverage our Co-Founder's experience in investment management and advisory at industry leading organisations to help provide valuable insights.
